Dear Csaba Hamza,

Thank you very much for the work you have completed so far with the European Players Olympic Forum 2012 – EPOF 2012.

Badminton Europe was very satisfied with your efforts as a staff coach at the EPOF 2012 selection camp held in Presov, Slovakia from 15 – 21 October 2006.

It was a pleasure to have you working for Badminton Europe and we were delighted with how the six staff coaches worked so well together. It was an achievement to successfully run a training camp with 52 players coming from 24 different countries.

Badminton Europe would be very happy if you would consider working for us again in the future, whether this is at another EPOF 2012 camp or a different development activity.

Kind regards,
